BASTARDÔ!

BLACK
EDITION

Who drinks it | Women and men who dare to make a toast to their bastards instead of feeling sorry for themselves.

Hour | Right after a blow from the bastard, to solve things immediately.

Flavor | Sweet, of victory.

Goes well with... A good dose of laughter and friends.

Cheers! The future is the place where you will be for the rest of your life. It is pointless to dwell on what you have not become. Do not look back. Turn the page. Write your own history. Step-by-step, day-by-day, celebrate each and every moment. Today and tomorrow. Open a bottle, pour a glass and slowly savour the will to keep going. What you feel demands that moment.

Technical notes | The tear and the red color anticipate what is to come. In the nose it reveals a huge elegance which comes from the union between the ripe fruit and the exceptional wood. In the mouth it presents itself with a smooth and profound attack, wrapping it with all his unctuous and harmonious presence, with a lasting finish and a high nasal retro.
