## FEIJOADA&CO

Who drinks it | Friends.
Hour | At the time of the Feijoada.
Flavor | Grape, the one that goes well with the Feijoada.
Goes well with... Samba, friends and football.

This is a wine that makes you want to laugh with your friends, hold your family close, celebrate your football team's goal and, who knows, maybe dance to the sweet taste of victory. Maybe a "samba" or a "vira", after a goal scored by Nyemar... Or will Cristiano be the one to score? To have a drink and to celebrate something, all you really need is to want it.
